

Checking Out- Quick Guide

Check-out Time: 10:00AM

We hope you have had an enjoyable stay at the Westville Cottage. We, too, also wish you could stay longer, but the beauty of the Westville Cottage is that it will be shared with other guests like you. Over our last few seasons, we were asked by guests, 'what is expected at check out?' Our standard answer was to leave the place as you have found it. Many asked for a checklist, so we have compiled a shortlist of important items which help us and you execute a smooth changeover. In the spirit of being the "Inevitable Guest and while we appreciate that you may be anxious to get on the road to head home, we hope you understand that it is important for you to help us prepare for the next guests and, at the same time, exercise what is commonly known as vacation/cottage rental etiquette. Although we have a cleaning service to prepare for the next guests of the Westville Cottage, we expect that on your departure, you leave the cottage at least as presentable as you found it. That said, please remember that Check-out is no later than 10:00 am. Kindly advise us if you plan on an earlier departure.

Helpful check out checklist:

1. **Furniture:** If you move any piece of furniture for your convenience during your stay with us, kindly return it to its original location before your departure.
2. **Kitchen:** Please wash all dishes/flatware/kitchenware/utensils and return them to the cabinet, drawer, and or shelf of origination. The **Kitchen Knives** (knife block) are NOT dishwasher safe. Please do NOT put those Knives in the dish washer...they are handwash only.
3. **BBQ Grill:** If you used the BBQ Grill, please clean the grates and any exterior surface area soiled while in use, when you are finished. Clean/wash all tools. Place the cover on the unit (only when the unit is completely cooled). Make sure to turn off the propane tank.
4. **Beach accessories:** kindly wash blanket and beach towels separately in cold water and place dried towels in the closet. (Please do not wash beach accessories with other towels and household linens).

5. **Report any damage** (property and or household items) to the owners immediately (broken dishes, glassware, appliance, furniture, linen(s), bicycles). Failure to do so can result in damage assessment/charges against your damage deposit.
6. **Trash and recyclables** should be brought to the box before your departure. Please refer to the recycle list under the trash box or on the back of the cabinet below the sink if you are unsure of what is recycled in Provincetown. **DO NOT MIX RECYCLABLES WITH REGULAR TRASH.** We will deduct the \$50 fine from your damage deposit.
7. The following items are complimentary, therefore is no need to replace them: paper towels, toilet paper, facial tissues, garbage bags, dishwasher tabs, dish soap, body wash, face soap bar, shampoo and conditioner. ***While we try to provide as many amenities, household and personal supplies as possible, please be courteous to the next guests and replace anything you have enjoyed using and depleted or almost depleted. If the item you used/depleted is not on the list below, kindly replace it or at minimum, advise us so can restock.***
8. **Look**  under bed and sofa for personal belongings.
9. Check the washer and dryer also for personal belongings.
10. Be sure to take your phone and laptop chargers and the likes.
11. **Pet Towels:** If you use the pet-friendly BLACK towels for your dogs, please wash and place them back above the washer and dryer. Please do not wash these pet towels with other household linens.
12. **Bikes:** If you used the bikes, please insure that the bikes are secured to the post below the stairs and locked.
13. Shut off the air conditioning unit. In the fall, kindly return heat to the off position or 50 degrees.

14. If you have become fond of a particular item during your stay with us, please ask for details/vendor information, we would be happy to provide that for you. If the item did not arrive with you, please do not leave Westville with it as we would like everyone to experience the Westville to the fullest, just as you have. Take with you (only your free gift~ one week or longer) and your memorable vacation experience.
15. **Reviews:** Drop us a line or two in the guestbook. If you came to us via VRBO, AirBnB, Facebook or Instagram, please leave us a review reflective of your experience with us. Potential guests love reading about stays of former guests. We would love to get your feedback. We want to hear from you.
16. If you used the keys instead of keyless entry during your stay, kindly leave the keys to the unit on the dining room table.
17. Once you vacate the Westville, the property will be checked out by the property manager/owner. If any damages are found, we will contact you either via telephone or email. Once we determine that the property is free of damage, we will expedite payment to you immediately. Please remember that this process can take up to 30 days from your date of departure. We thank you for sharing your vacation with us. We wish you a safe trip home...remember to watch out for the police on Rt. 6 – the speed limits change from town to town and they are only too happy to provide you with a souvenir of your visit.

Thank you for choosing the Westville Cottage for your Provincetown getaway!!
